Dear Mr. Weinberg,

Enclosed is xerox copy you requested.

With reference to possible law suits in N.Y., my wife spoke to her employer & he stated that if you would send copies of the contracts, he will see what he can do.

Please feel free to call me collect anytime you wish. I am usually off on Mon. & Thurs. After 8:00 P.M. would be best.

I will expect to hear from you next Thurs. evening since

I would like to discuss the possibility of perhaps meeting those attorneys who have neglected to proceed further in the past.

Please accept our thanks for the warm hospitality you & Mrs. Weisberg showed us. We can honestly say we spent an enjoyable day with you.

We are looking forward to a visit from you in the near future.

Your friend,

Al

P.S. Don't forget to call next Thurs
